Growing better Together

### Shared Services Strategy

The diagram illustrates the Shared Services Strategy. At the top, a central figure (a person) is shown holding a yellow circle, which is connected to three other circles, each containing a person icon. Below this, a box contains the text "12 municipalities, One Goal- Effective Niagara Region". At the bottom, four arrows point upwards towards the central figure, each labeled with a principle: "serve the public good", "Increase efficiency and effectiveness", "Improve customer services", and "Coordinate the use of resourcing and staffing". The entire diagram is set against a light blue background with a green and blue wave graphic on the right side.

**12 municipalities, One Goal- Effective Niagara Region**

**Four Principles**

- serve the public good
- Increase efficiency and effectiveness
- Improve customer services
- Coordinate the use of resourcing and staffing

## Niagara Economic Inventory Survey- 2024

Hi, **Business Owner's name,**

Niagara Region is back with its annual Niagara Economic Inventory Survey. This survey aims to create a complete picture of employment in Niagara through updated data from your business.

Like every year, we ask that you spare a few moments to fill in the **attached questionnaire and send it back to us at [nei@niagararegion.ca](mailto:nei@niagararegion.ca)**. This process will take place in phases throughout summer until September. The data will help us understand the changing landscape of employment and shape and plan economic development activities across municipalities across Niagara.

We truly value your time and cooperation in this important process. Your participation is instrumental in making this survey a success; thank you!

**Note-** A subset of the information collected will be released publicly through Niagara Region's open data portal, observing your rights and freedoms outlined in the Municipal Freedom of Information and Protection of Privacy Act. For more information about our Open Data program and to view our previous survey results, please visit Niagara's Employment Inventory.

Best Regards,

**Niagara Region**
